DURING MY INTERNSHIP I LERNED

Consult clients.

Listened carefully to the clients needs and helped in choosing products.

Helping clients find and make the right choice😊

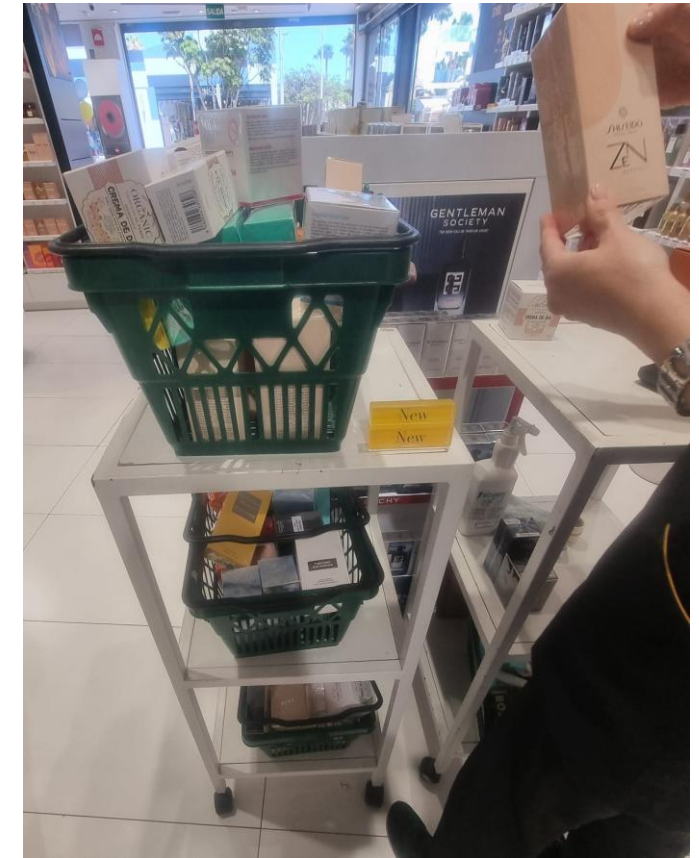

Solve a clients problems.

Plan and carry out a work process independently, taking other actors into consideration.

DURING MY TRAINING PRACTICE I PERFORMED THE FOLLOWING TASKS:

I performed various duties related to the organization of the retail process. Monitored product pricing changes and updated price tags promptly. I participated in inventory counts, checking product availability and compliance with accounting records. Scanned and registered new items arriving at the store. Also applied new price tags and placed products on the appropriate shelves and displays according to established store standards.

DURING MY INTERNSHIP

I was a "Good Girl"
and a good Salesperson.
This perfume is "Bestseller"

Supported colleagues and worked as part of a team. Assisted employees during busy periods. Created a positive work atmosphere. Interacted effectively with the team.

Always kept the work surface clean.
Even in hard-to-reach areas.
